What is the bid for? To assist in bringing noted SCA Bard and entertainer Heather Dale to Canterbury Faire. Also known as Mistress Marian of Heatherdale she is a well known performer and has regularly preformed at Pensic and other major SCA events in the USA.

She is very keen to come to NZ and Canterbury Faire and has already volunteered to help run the bardic events at the faire as well as put on a performance for us.

Who will directly benefit from this bid? Attendees of Canterbury Faire 2018 and hopefully the wider Lochac Bardic population. At this stage there is some planning for Heather to do some touring around NZ and possibly Australia after Faire and She has indicated that visiting the various SCA groups to share her knowledge and skills is on her plans

What is the total cost ? Approximately \$5,500 total for Heather and her partner to attend the event

Did you obtain quotes? If so, please provide details. No – flights to be quoted later once a final budget is known and a travel itinerary can be decided upon

What amount are you requesting from the Fighter Auction Tourney funds? \$500-\$1000 to help cover flights

Is there any other information you would like to provide? Yes

Currently looking to fund her Faire costs from the CF FA funds and am also setting up a give-a-little campaign so people can assist with the crowd funding aspect. I am personally covering Ms Dale's flights but need some help with the flights for her partner who is also her instrumentalist and co-performer.
