## A MESSAGE FROM THE BARON & BARONESS:

Unto the Barony of Rowany do Miles and Ameline send warmest greetings,

The year has sped past quite fast, Festival has been and gone and we are coming to the end of the demo season. Bal d'Argant was held recently and was a great success. There are still, of course, many fine events to come. Next month's tavern feast, and of course Yule in December, where we will step down in favour of our successors.

Please remember Tuesday is the last day for Polling for the Baronial Succession. Your thoughts and opinions help to inform their Majesties decision, so please ensure you do so.
