A Word from the Baronial Chronicler

Welcome to the Bumper Officer edition of Folia Roani! There are a lot of changes going on this month in Rowany, and with our neighbours Mordenvale, and the Kingdom too. I hope the introductions from the proposed incoming officers help you get to know them better.

I hope to see some of you at the Baronial changeover in Mordenvale too, farewelling Ludwig and Tasia and welcoming Wulf and Alexous as the new Baron and Baroness of Mordenvale. And I hope to see the rest of you at Midwinter Coronation, as we farewell Gilbert and Bethony as the Crown of Lochac, and welcome their heirs ThorolfR and Halla to the Throne.

As always, if you have any feedback about the newsletter please let me know - I just love to hear that someone is reading it!

In service,
Bethan Daniels of Brockwood

Greetings from the Baron & Baroness of Rowany!

Unto the Populace of Rowany, do Miles and Ameline send warmest greetings. Midwinter is fast approaching and we shall soon have a new King and Queen. We are very excited to have access to Sydney University’s Great Hall for this event. It should be a grand spectacle, and I hope as many of you as possible can make it.

This weekend is Tocal in Mordenvale. This is a great fighting event and there is a Baronial changeover, so we hope to see plenty of Rowany there.

In other news we would like to welcome Rowany’s new Seneschal, Unnr. As she settles into her new role, please do your best to support her. We would also like to thank Lady Tanya for her excellent service as our Seneschal and we are sure that whatever she next does in our society she will continue to excel.

Miles et Ameline

A Word from the Kingdom Seneschal

From the Lochac Seneschal, unto the populace of Lochac, and particularly of Rowany, greetings!

Lady Tatianitska Iaroslavna has served the Barony of Rowany tirelessly and long, but the bright lights of the metropolis in Politarchopolis have seduced her. She has been an exemplary seneschal of our first Barony through Yule and Festival, leading so many of our populace in Dencing in the Park (sorry, I couldn’t resist that pun). It has been my pleasure to work with her, and I sure the citizens of Rowany will miss her, but wish her well in her new home.

Please join me in greeting Lady Unnr, who has generously offered her services as Tatya’s successor. Lady Unnr is a relative newcomer to our lands, which may explain why we were able to persuade her to take on the task. Hers is an advantageous position from which to be stepping up as seneschal of our oldest group - she is not daunted by the task she is taking on, and in talking to her about her plans for this role, I have no doubt she is equal to it. I know that the populace of Rowany will join me in welcoming her, and that this will be the start of a New Golden Age - okay, that might be putting it a bit strongly, but huzzah for the new seneschal!

Yours in service,
Nicodemus Novello

Outgoing Rowany Seneschal

This is my favourite time of year. I love the cold, and being able to rug up on the couch with my cats and a project or two.

It's a great time of year for hearty warming food, and if you have ever wanted to give cooking period dishes a try, I suggest Platina's Pottage from Meat is a great place to start. It's a wonderfully rich soup and has a lovely bite from the vinegar. If you have someone who's feeling a bit under the weather, it's a great pick-up too.

I'm looking forward to Mid Winter, (also my birthday) and will be handing over the position of Seneschal to Unnr then. Please make sure to introduce yourselves to her. Officers are volunteering their time to work for the Barony, and knowing you, knowing who you are and what you want makes that work so much easier. Thank you for a great 2 years!

YIS,
Tatianitska Iaroslavna (Tanya)

Introductions from the Incoming Rowany Seneschal

Greetings from Unnr Auðunardóttir, deputy and incoming Rowany Seneschal. I have only been in the SCA for a relatively short time (approximately 2 years) and I am enjoying many of the activities I can now partake in, mainly combat archery, brewing and the easier parts of costuming. Whilst the interesting combat & arts and sciences is what drew me to the SCA, it's the people that have made me stay.

I believe the role of Seneschal offers great opportunities in a thriving Barony. I will be here to serve the populace, and have a great time doing so. There are so many great Baronial officers that are making me feel welcome, and I'm really looking forward to my time in the position.

Other than all that, I am a general geek, engineering professional, and married mum of one. I'm surrounded by awesome friends who let me indulge in my love of silly jokes and occasional interpretive dance. Please be aware that I am super awkward when approaching people to talk to them, but I'm going to do it to you anyhow, so you'll just have to get used it :) On that note, I would like to say if I have not already met you, I am very much looking forward to doing so, and if I already have, I'm looking forward to speaking again soon.

Outgoing Arts & Sciences Officer

Greetings fellow Rowanites, It is with great pleasure that I can reveal that my successor has now been chosen. I am delighted to announce that Lady Annabel de Swinburne has been chosen as the Arts and Sciences Officer for the Barony of Rowany, pending a 2 week commentary period. The proposed date of formal changeover will be at Midwinter Coronation (9/7).

Please forward any comments to rowanyartsandsciences@gmail.com, rowanyseneschal@gmail.com, or rowany@lochac.sca.org by 29/6.

Yours in Service to the Dream
Lady Juliana de Northwood

Nominated Incoming Arts & Sciences Officer

Greetings Rowanites! I am Lady Annabel de Swinburne and I have been nominated as the next Arts and Sciences Officer of Rowany. All being well, I’ll take on the office at Midwinter. I’d like to thank Lady Juliana de Northwood, the outgoing A&S officer, for her hard work.

I’ve been around for a while, since I joined the College of St Ursula at the end of 1997. I was Ursulan A&S Officer, and I’ve also been Rowany Chronicler and Seneschal. I’m a member of the Rowany orders of the Berries and Staple and I hold Kingdom awards Prix Jongleur and Golden Lilies. I am apprenticed to Mistress Bethan of Brockwood. I’ve also got a four year old daughter, so I get to figure out dress patterns on a small scale and hear a tiny voice singing “Whip little David’s Bome!” (by Ravenscroft) since she picked it up at Festival.

I enjoy myself most in the SCA when I’m making music, but I happily dabble in costuming, C&I, cooking, dancing, embroidery, painting etc. Lucky for me, my dabbling often turns out something adequate, or even satisfactory, because I’ve been able to work with other Rowanites who have put in far more time and effort than I have to become really good at what they do. Luckier still, Anna von der Ron, an already accomplished young costumer, has volunteered to be my deputy. Excellent! I’m also looking forward to working with the Kingdom A&S Officer (hi Krin!), local A&S officers and anyone from the populace of Rowany, far and wide, interested in Arts and Sciences.

Rowany is by far the most talented barony in Lochac, or indeed the Knowne World, but because we have so much awesome, it seems to me we need to make some extra effort to stay in touch with each other and see how well we can use our incredible talents in the arts and sciences to make playing in Rowany even more fun. I don’t have great plans for projects at this stage but I’d like to get in touch with anyone who does. I’ll be attending Senate meetings, dropping by Dence Park A&S days, visiting Ursulan A&S and making my way out to Stowe from time to time. I may also be able to help you find help and advice if you’re trying something new and want to talk to someone who has made similar mistakes already. Ah, I mean, who has experience!

In Service,
Annabel de Swinburne.

Baronial Office of Lists

I am delighted to announce that Lady Anna von der Ron has applied for the role of Rowany Lists Officer. The commentary period is now open, and will be closing midnight, Thursday the 7th of July.

Introductions from the Incoming Lists Officer

Greetings good Rowanites. My name is Lady Anna von der Ron and I am the new nominated lists officer for Rowany. I’ve been in the SCA since 2011 and I’ve been doing lists for about as long. I was also deputy lists at Festival last year. In the society in general, my primary interests are original research in 16th century Southern German and Successor Era Greece (~300 BCE) clothing. Therefore you’ll often see me swanning around in thoroughly silly hats or looking cool in the hot weather.

I’m apprenticed to Mistress Clara van der Maes and am a member of House Attica. I look forward to working with you all and with our incoming marshal.

Lady Anna von der Ron

Baronial Office of Acquisitor - Applications Sought!

The Office of Acquisitor in the Barony of Rowany is our large equipment manager. The Barony pays for a storage unit in which we store cooking pots, serving bowls, banners, pavilions, tablecloths, and other similar items. This does not include loaner clothes or loaner feasting gear (which is looked after by the Hospitaller). This office will take approximately 3 hours per month, but these will mostly be at the storage unit, which is located in Auburn. Previous officer, Mistress Clara van der Maes, is happy to perform on-site office handover.

The Rowany Acquisitor would reasonably be expected to:

- provide the location, and current access code for the storage unit to event stewards
- check to ensure that items are returned clean and in good condition following use at events
- contact event stewards to investigate missing equipment
- keep a list of what is owned and stored by the Barony

You could also:

- manage repair and replacement of items
- propose purchase of new items (if required)
- be aware of items stored at the Rowany Festival site (in case they are needed at other events)
Barony of Rowany Monthly Senate Meeting 20 June 2016

- State next expected meeting
- Approve previous minutes
- Decisions made at the meeting must state who moved the motion, who seconded the motion and whether the motion was passed or declined.
